now, huh? You have continued to improve
your life. You are happy now. This is the best

Butte Falls Ladies Lioness!
Thank You!

Just a letter of thanks to a wonderful
group of ladies. Recently one morning
on my way to work I had a car accident
from sliding on black ice. The impact
broke my glasses. My good friend,
Daniel Murphy called Mrs. Moore and
the ladies went into immediate action
on my behalf! I filled out a form and
within a couple of days I was getting an
eye exam and new glasses. This is one
old veteran who appreciates you
greatly. Again, thank you very much for
all of your help.

With Appreciation,
David Bowles

Jim Suftin
We love and miss you very much!
