Some of his helpers include the older girls that when they are not participating they are helping with the coaching.

When he is not helping with the sports programs he is doing many other things, for instance- serving on the school board, the budget committee, and being on the Jim Matthews Scholarship Committee.

While he loves to fish and hunt, he really enjoys taking his boat up to Lost Creek Lake. He says "there is nothing quite like cruising into the marina, after a day of fishing and skiing and watching the sunset".

TOWN NEWS

Cop's Corner by- Mel Ray

As most of you have probably already heard that my wife finally delivered our baby girl on Friday, March 9th, 2001. She was named Peyton Abigail and her weight was 7-lbs. 11 oz and she was 20 inches long. Baby and mom are doing great!

Just a reminder that all studded snow tires must be removed by April 1, 2001. Now that the weather is starting to get nicer, we will see children playing everywhere including in the streets. Please be aware and drive cautiously.

David Teresi has been hired by Shady Cove and he will be leaving us soon. David goes to work at Shady Cove as of the 1st of April. I want to personally thank him for the outstanding job he has done in working with the kids of Butte Falls. I know that they will remember him for many years to come. I hope they take his advice to heart and use the knowledge that he has tried to instill in them to bigger and better things.
