

An Angel among Us?

There is an angel among us. Her name is Connie Irwin. We can not thank you enough for all the care you gave "Grandma. You were so much more than a caregiver. You were her friend. You brightened her day. There are few people in the world like you. We could not have made it through without you.

You are a true angel.

Thank you,

Another Thank You!

We would like to thank all the people who helped us through the passing of our Mother, Grandmother and Great Grandmother. Thank you for all the phone calls, errands, cards and flowers. We would like to give a special thanks to Sandy at the cafe for all the wonderful cinnamon rolls and pork chop dinner. Dottie Richardson for the delicious salad, Joyce Brown for the yummy cake and Nancy Kelley for the 3 great dinners that she prepared for all of us. You all made our lives a little bit easier during this sad time.

Thank you, again!

El Patron... Happy Birthday on April 5th. If you had not rode your bronco to my rescue, my computer would have ended up in pieces. Once again, you've saved my hardware. I pray you have many, many full moons in your life. Much Gracious (that means thanks, I hope) YOUR, I promise not to beat on it, Friend.

Hi Gloria....

Happy Birthday from Alan!

Butte Falls, Oregon

(In memory of Rusty Scott)

Butte Falls, a sleepy little town...

A population of about 500, that is if you count for several miles around.

Two schools, two churches, one public park.. A trip to the valley for pizza must serve as a lark.

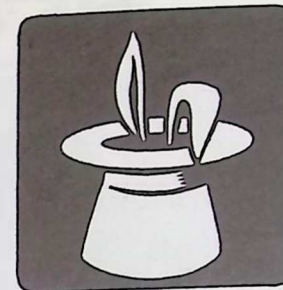

A quiet peaceful little spot where neighbors still care. They tend to look out for one another, and in all things they share.

The inhabitants of Butte Falls are a different breed you see. They prefer to work for a living, rather than get what they want for free.

On a Sunday morning, one awakes to the church bells ringing... but if you oversleep, you are sure to hear and arise to the congregation singing.

Yes, Butte Falls holds a special place in my heart, and I'm proud to have thought of it as home. Too long have we been apart, too long have I been alone.

Good by, Rusty Scott
