BUTTE FALLS HONORS ITS VETERANS AND THEIR FAMILIES ON JULY 4TH

Throughout history, we have been faced with the threat of war. Thousands risked and many lost their lives. We can only dimly comprehend the sacrifices made by the brave men and woman who fought and lived through times of war. Today, many of our neighbors and friends, who survived through these difficult times are among us.

This Fourth of July, we are asking those men and women and their families who defended the American principles of peace through military service, to join us for a brief memorial dedication service in the Butte Falls Park. A special marble plaque will be placed in the park as a permanent memorial.

The ceremony will take place in the park at 1:00 on July 4th. If you are a military veteran or a family member, please join hands as we remember and pay tribute to those who fought or helped in some other way to help keep America safe for democracy.

Know that what is treasured today, could be taken from us tomorrow. The peace and freedom we share as a community, is the result of the brave and courageous actions of those who weathered the throes fo war. To those ordinary citizens among us who served in military duty, we thank you for the priceless gift you've given us--- our peace and freedom.

Today we honor you, our unsung heros. by- Joyce Hailicka
