

# TOWN NEWS

From the Active Club Desk  
Lori Paxton, Active Club President

We would like to thank all the volunteers who helped us out making this 4<sup>th</sup> of July special. Many thanks go out to the wonderful people who donated money so we could purchase prizes for our scooter race and games. I personally want to thank all the Active Club members for their hard work. I do hope you got to enjoy yourselves a little bit that day. *We still haven't decided on the project we want to do for the Community Hall yet, but we eventually will.* I believe it was a very special and emotional day for many people and we hope to be your hosts again next year.

Now, for the other season

Yes, we are already talking about Santa Night. We would like to have another Santa Night like we had last year. It was soooo much fun!! We are considering having a dinner sometime in October at the Community Hall to raise funds for Santa Night. We will keep you inform of our progress toward this project. If you have any ideas you would like to throw our way, please do so, all are welcome. Enjoy the rest of the summer.
