BASKETBALL SHOOTING CLINIC BY- HUGH SIMPSON

During the week of July 25, 2001, basketball
players in Butte Falls were fortunate enough
to be able to attend a shooting clinic put on
by coaches Jack Dunlap and Jack Mitchell at
Butte Falls High School.

Dunlap, who coaches high school basketball
in Pomeroy, WA, specializes in teaching
shooting skills, as does Mitchell, who
coaches basketball at Edison High School in
Stockton, CA.

About 28 players, ranging in age from fourth-
graders to high school, attended the clinic.
They were taught basic fundamentals of
shooting a basketball, such as stance, follow-
through, aiming point, layups, jump shots,
power layups, and shooting off the fast break.

A great deal of learning took place, and
everyone had fun doing it! Many thanks to
Coach Dunlap (yes, he is Clays brother) and
Coach Mitchell for doing this for our athletes.
