

### **FAIR TIME- NOT ONLY FUN AND GAMES BY LAURIE DYER**

The Jackson County Fair is not only fun and games, but also a lot of work for kids who show livestock. 4-H is a wonderful program that teaches kids responsibility, livestock management and financial record keeping.

A number of Butte Falls kids showed animals at this year's fair. Melody Carlisle, Vickie Lawrence, Shawna and Brianna Wright, Brian Marquard, Jordan Dyck, Josh Dyck, Randi Pitts and Krystal and Austin Rowley all showed pigs at the beginning of the week. Kayla McKibben and Shelley Marquard showed and sold steers at the end of the week.

These kids must own their animals for a required length of time while they learn to feed and keep careful records. The animals are their responsibility and they are to assume the vast majority of the care with little parental or outside help.

Butte Falls should be proud of these kids and the projects they have undertaken. Take the time to say "Good Job" when you see one of these kids.

Shelley Marquard did great for her first year taking a steer to fair. Her steer Sammy, took 2<sup>nd</sup> place in the market class, but Shelley did even better in showmanship. She took reserve grand championship in the intermediate division, which is not bad for her first year!

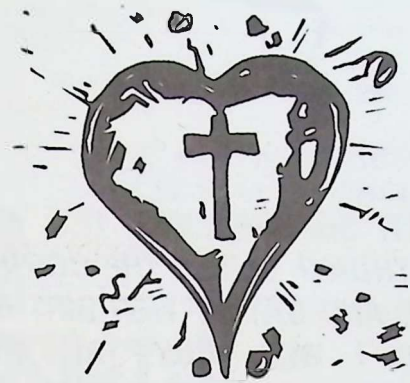

After raising Sammy for one and a half years, there were some tears when it was time to go to auction. Even though it was a hard, Shelley says that that is part of the process and her goal was to have a good product for the buyer.

### **MERCY FLIGHTS NEWS BY- GARRIE DRISKELL**

We again wish to say thank you for your support of our membership drive. Our 4<sup>th</sup> of July, 50/50 drawing brought us about \$75.00. Yvonne Witte won half and donated it back. Thanks Yvonne!!! This act of kindness is never expected but always a great surprise! And since the 4<sup>th</sup> of July we have had some other monetary donations. Thanks to those of you out there that have mailed them in! It's slow going but we are sure we will have the \$5000 by November of this year to cover our 2002 membership fee.

We want to tell the Rydberg's we are sorry for the loss of their husband, father, father-in-law, and grandpa. Our thoughts and prayers are with you all.

Play safe this summer! From your  
Mercy 12 Ambulance Crew!
