-Haunted House-

Do you want to have some fun
this Halloween? Come and join
the Active Club and our special
friends on Saturday, October 27th,
upstairs at the old, creaky
community hall. The party starts
at 7:00 P.M. and admission is only
50 cents per person. (Proceeds
go toward Santa Night.)
*Remember to bring a friend, you
do not want to get lost in the
haunted house all alone!*

Hey Josh!

Another year goes by and you're turning
19, Wow! How the time goes by.
Congratulations, you made it out of Butte
Falls, traveling all over the U.S. good job!
I knew you could make it. Have a great
Birthday Son- we love you Mom and Dad

Hey nick!

You're older too, best wishes all the way
to Italy. I said for you to follow your
dreams. Well, you are doing just that and
we are very proud of you. Keep it up and
the way the world is going, I have sent
you an angel to keep you safe from harms
way .We love you Mom & Dad and Jerm
too! Here is something from Mom to the
both of you.

Where does Mom keep her memories?

In a box warn beyond repair,
Tucked inside are memories,
Asked and she will gladly share.

Tattered Valentines " Mommy with Love"
Papers boasting " good work... Well
Done! "

A handprint small and fragile,
Blue ribbons won.

Macaroni shells that once formed a
flower-

A baby picture smudged with kisses,
The first tooth the Fairy spared,
Cards of IOU's and loving wishes,

Where does Mom keep her memories?

In a box this precious cargo rests
Reminiscent of days long past,
This box of love is her treasure chest.

This just lets you know how special you
both are to us!

Love you both Mom and Dad

A Note to go with Renes Birthday Greetings-

Since she submitted this, Nick has been
called to support the U.S. They don't know for
sure where he is stationed or when he will
return.

"Once my little blue eyed boy... I use to
protect. Now, he is protecting us and our
country."

I'm never too old to ask "Why?"
