Donnie- Happy Anniversary on Oct.  
28<sup>th</sup>. The last 23 years have been a  
blessing.....

*"I'd Marry You Again"*

With tiny tear that glistened, my eyes  
were fixed on you, and thinking of the  
life we'd share we softly said "I do."  
Our hearts were knit together from the  
time that we first met, and memories  
were gathered that we will never forget.  
While daily living life with you, you saw  
the real me, and still you chose  
acceptance, a loving mystery.

With many happy times gone by and  
others when we cried, some days we'd  
shared so endlessly, while other days  
we'd hide. With all the ups and downs  
we've had in learning to be friends, I  
know that in this heart of mine,

*I'd marry you again.*

Love, Cory Ann
