

# LIVING IN A SMALL TOWN IS LIKE HAVING ONE LARGE FAMILY..... BOY HOWDY!

You know you live in Oregon when.....

Your idea of a traffic jam is ten cars waiting to pass a tractor on the highway.

"Vacation" means going to Portland for the weekend.

You measure distance in hours.

You know several people who have hit deer; some, more than once.

You install security lights on your house and garage and leave both unlocked.

You often switch from "heat" to "A/C" in the same day.

You know all 4 seasons: almost raining, raining, still raining & construction.

Your grandparents drive at 65 mph through a blinding rain during a storm, without flinching.

It takes you 3 hours to go to the store for one item even when you're in a rush because you have to stop and talk to everyone in town.

Is this a face only a mother could love or what?

Do you know who this is? Looks like a mug shot to me....
