High School Equestrian Team Update
by Rita Pitts

The Butte Falls High School Equestrian Team would like to thank every one who supported us this year by buying cndales. And some special "Thank You" to Linda Matthews, Bob Lyon Construction, Ruby Edwards, Cecil Bailey, Rick Pitts Custom Countertops, Hummingbird Electric and Buff and Molly Lawrence. We would like to invite the town to come watch us at our first meet February 15th, 16th and 17th at the Expo. We have four riders on our team. They are Melody Carlisle, Jamie Nelson, Randi Pitts and Vicky Lawrence. This is a school sport we earn points for our team doing a variety of different activities on the horses. Team penning, working rancher, Canadian flag race and In Hand Obstacle Race along with many more. Thanks again and thank you for your support.
Hope to see you there....
