Does Anyone know who had
the tenacity, guts and
time to *steal* the picnic
tables from the falls picnic
area? They had the energy
to cut the chains and haul
them off! They were vand-
ilized once already and had
to be repaired! What do
these kind of people think
about during their waking
hours? How to rip off their
fellow citizen? Come on! If you
know who did this tell someone
who cares and lets take care
of this problem...Call City Hall!

And!!! does anyone know
who busted out the
hand railing on the back
of the caboose museum?
Call City Hall...again

Raygina Sizemore is retiring after
only 31 years! Everyone is invited to
a potluck in her honor. Friday, June
14th at 5 PM at the Elementary
school. Please bring a dish to share,
lawn chairs, table settings and a
non-alcoholic beverage.....
