DON'T BUG ME, I'M (STILL) READING!! It's been a fun summer, thanks to all of you that participated in the summer reading program. We hope you enjoyed the programs, the parade, the I SPY, the guessing jar and the READING. We would love to see all of you at the "End of Summer Reading Party". It will be right after the last program "Musical Bugs & Other Creatures" by Jory Aronson on August 6th at 10:30 am. We will have refreshments, prizes and announce the guessing jar winner. Please do come.

Hey! The landscaping around our library and museum is sure looking great. If you haven't seen it please come by and walk around. Thank you to all the volunteers that helped put it back in shape, especially Tanya. All she wanted to do was work off some overdue fines.....(HA). She is a fantastic gardener and we really appreciate all the hours she gave for our much needed landscaping fix. She was the one that really made this happen. Bet she won't be having any more overdue books after this!!!!
