Book Fair Success

Thank you to everyone who helped support Butte Falls Elementary/Middle Schools' annual Book Fair. The book fair made it possible to earn money for the school & materials for the library.

Thank you to parents & community members who helped support classroom wish lists. The books purchased for classrooms are a lasting gift for years to come.

Thank you to Kevin Smith Trucking, Rogue Valley Fuel, & Papa Murphy's Pizza for sponsoring the donation of dictionaries to classrooms. They were much needed & very appreciated.

Thanks again to parents, friends, families, & businesses who helped support the Book Fair, reading, & our school!

Clein and Eva Poulton celebrated their 60th anniversary on Oct. 11 with the sealing of daughters. Connie Irwin and Dixie Poulton, to their parents at the Medford Temple of the Church of Jesus Christ of Latter-Day Saints.

Many friends and family attended.

In 1943, the Poultons moved to Monterey, CA. Clein served in the US Navy from 1942 to 1945 as a ships cook second class and volunteered for more dangerous duties to get out of the kitchen.

The Poultons moved back to Salt Lake City after their son, Garry, was born in 1943, then to Las Vegas in 1952. They moved to Butte Falls Highway in Eagle Point in 1958.

Clein is a retired glazier and Eva is a retired foster parent.

They enjoy country life, church, friends and their large family.

They have three children, Garry Clein Poulton of Durango, Colo; Connie Irwin of Butte Falls and Dixie Poulton of Butte Falls. They also have 12 grandchildren and 18 great-grandchildren.

Elementary Playground Committee

The Butte Falls Elementary Playground Committee is seeking help! There are just a handful of members & a lot to do! We have some great fundraisers coming up & are almost ready to set up phase one of the new playground equipment.

We will need a lot of physical help pouring concrete, setting posts, etc. If you are interested in helping set up the equipment, joining the committee, or just helping with fundraisers, any & all help would be very appreciated.

Please give Julie Freeman a call at the elementary school, 865-3563.
