A NEW YEAR'S PRAYER

author unknown

Dear Lord, please give me...

A few friends who understand me

And yet remain my friends

A work to do which has real
value,

Without which the world

Would feel poorer...

A mind unafraid to travel,

Even though the trail be not
blazed

An understanding heart...

A sense of humor.

Time for quiet, silent meditation.

A feeling of the presence of God.

And the patience to wait

For the coming of these things,

With the wisdom to know them

When they come.
