

A little bit of this and A Little Bit of That!

Happy 14th Birthday to Margo on
March 8th!
We love you lots...
Grandma and Pa Bowen

Happy Birthday to Mel Bowen
on March 11th!

When you see **SUE MACY** this
month, be sure and wish her a happy
birthday. Then remind her she still
has a long way to go before age
sets in, even though she may feel
like it now.

Thanks to JoAnn Lyon and
Diane Pingle for the
beautiful rose that you
brought to me during my
recuperation...
Lucy Hayden

-For Sale-
White Metal Futon Bunk
Bed.
Fantastic Shape! Yours for
only \$175 or best offer!
Call Lori at 865-3624 and
leave a message.

TOWN OF BUTTE FALLS GUIDELINES FOR HOW TO GET YOUR PROJECT GOING

1

Go to Butte Falls City Hall and get the appropriate permit(s) for your project—new building, manufactured housing, demolition, removal of manufactured housing, major remodel involving electrical, plumbing, water or sewer hookups, etc. (Any new structure or addition of 120 square feet or more requires a permit, this includes utility buildings, garages, porches, etc.)

2

Draw a site plan that shows your property lines. For new housing or building, show the dimensions and locations of the old and new structure in relation to your property lines. Find out what the setback requirements are. Show where you plan to put driveways. Making your drawing roughly to scale helps. Then take your permit and site plan to the next Town Planning Commission meeting.

3

After your project is approved at the next Town Council Meeting, all that remains is to go to Jackson County Planning Department and get your building/plumbing/electrical permits.

May you always have
Walls for the winds,
A roof for the rain,
Tea beside the fire,
Laughter to cheer you,
Those you love near you,
And all your heart might desire!
