

On a Serious Note

Clint Smith Address

Clint Smith, a 1998 Butte Falls Graduate, is in the United States Marines and is currently serving somewhere in the Persian Gulf. We don't know exactly where he is at the time. We do know that he would appreciate any letters from home. He has a wife, Amanda, who is expecting their 2nd child in July and they have a two year old son, Quentin. We don't expect him home for at least a year. Your letters and prayers would be greatly appreciated! It takes about 4 weeks for mail to reach him and his birthday is April 15th! Cards would be great! Thank you very much. He can't receive religious materials.

**Thank you,
The Smith Family**

We do need to take time and pray for our country at this time of unrest. There are many families affected by their Father or Mother leaving to protect our country. And, whether you voted for him or not, President Bush has a big burden to carry. Pray that he makes the right decisions.
