

**Butte Falls Elementary Playground Construction**

On May 24 & 25 the Butte Falls Elementary Playground Committee will begin construction of the new playground equipment. Community members are invited & needed to help with the construction. The committee will provide refreshments & a potluck will take place on Sat. May 24th. This is a great way to come help support our schools!

Tim Retherford & Dan Shafer will direct the construction. There are large pieces that will need many helping hands to put together. Any and all help would be greatly appreciated.

As you may have noticed, many of the old playground pieces have been removed, leaving students with very little & very old equipment. The existing pieces were purchased in 1967 when the elementary school was built & no longer meet insurance requirements. The new playground will provide a safe modern play area for both school & community.

Mark your calendars & bring a smile & your work gloves! If you have any questions please contact Julie Freeman at 865-3563 ext. 228 or Lisa Retherford at 865-3986.

**Thank You!**

We would like to express our heartfelt gratitude for all of the love and support that was sent our way after our tragic loss. All of the flowers, cookies, food, cards, and expressions of sympathy mean so much to all of us during these trying times. We are so grateful to live in such a wonderful town like Butte Falls, where the people truly care. Thank you all so much. We will miss him.

From the Family of Bobby Baker.
