Recycle Event-Small Turnout

by Lori Paxton

To all the volunteers of April 26th: On behalf of the Town Council, I would like to thank Rusty Miller, Diane Gorman, Todd Hackworth Jr. and Cindy Hackworth for all their help during the event. Also a big thank you to Sandy Carle of the Butte Falls Cafe for donating her wonderful cinnamon rolls for the volunteers. On this day we had a Recycle Event with a total of 10 customers. Needless to say, this did not impress the companies that helped out during the event. At least we emptied the Recycle Center free of charge. We might try for another event sometime in the fall, it just depends on the response that we get. Great job and thanks for all the hard work

To the Mayor and Council Members
 Thank you for your action to proclaim April as "Donate Life Month" and encouraging the citizens of Butte Falls to sign donor cards and to carry the signed cards. However, it is important to discuss this decision with family members. 16 adults a day die waiting for organs that could save their lives. Thank you from one who has received the gift of life from a family who had a very difficult decision to make at a time of great grieving. Thansplants work. I have had my new live for 11 years now and an extremely grateful to the donor family.

With Thanks, Rena Schuck
