

Due to the recent fire at the dump located behind the Sewer Plant, it will be necessary to STOP ALL DUMPING at this time, until further notice. Thank you for your cooperation.

### Park Restroom Vandals...

Due to the constant vandalism to the park, they will be locked at all times. If you need to utilize the facilities you can check out a key at the Butte Falls General Store. If you lose the key you will be responsible for the Town having to replace the locks. If the restrooms have been vandilized prior to your receiving the key, we would appreciate it if you would report it to the store. We hope this way we can curb the vandalism and maybe find out who is doing it.

### Town Council News

We meet every 3<sup>rd</sup> Tuesday of every month at City Hall at 7:00 PM. If you have questions or concerns over Town operations, please come to the meetings. You will be put on the agenda and given an opportunity to speak. If anyone has a complaint against Town operations, Council Members or Town Employees, there are complaint forms available at City Hall. Remember... if you have a complaint against a Town Employee, an Executive Session will be held and you will be required to attend. If you do not attend and state your case, then it will be dismissed. An Executive Session is like court, both sides must be heard before any decisions can be made.

Hey Hey Rusty Miller.. So sorry to see you leave the Council... We feel that you did a great job and will be sorely missed.

From Council and Staff

Remember... you can purchase your dog license at city hall. If you do, the Town receives 80% of the funds with only 20% going to Jackson County. If you don't want Jackson County getting all the money, buy at City Hall.

I want to give a HUGE THANK YOU to Lucy and Roger Hayden, on behalf of the Council and myself, for building the beautiful flower box out in front of City Hall. We need more thoughtful citizens such as yourselves.

Lori and Gang....

And, another thoughtful citizen... THANK YOU to Judy Lozano for planting the beautiful flowers in the boxes at City Hall and in the park. You are so wonderful to do this year after year.

### Town News

A big THANK YOU to the Butte Falls Volunteer Fire Department for the great awards dinner. Those that went were treated to a great potluck with Cat Fish served as the main course. The Cat Fish was prepared by Karen and Leon Todd and other volunteers who did a wonderful job. Another THANK YOU to Anna for the lovely potted flowers. It was a nice surprise that the guests got to take one home if they sat in the right chair. I wish more could have made it to the festivities. They deserve a big round of applause, the awards were both humorous and serious. Great job Butte Falls Volunteer Fire Department. From the Town Council... Sandy Rader, Diane Holm, Todd Hackworth, Lucy Hayden, Mildred Arnold, Mayor Steve Harvey. And, also the Town Employees... Scott Schuster, Lori Paxton, Sue Macy, Doug Ownby, Larry Ownby and Pete Vorbeck.

### Johnny Law Retires

This is to report that Chief of Police, John Lawson's last day as Chief was June 30<sup>th</sup>, as he has since retired from police work. Good luck on your new adventures.

Officer Scott Schuster will take over as Chief on the 1<sup>st</sup> day of July and Officer Mark Crumley will fill the role of our School Resource/Patrol Officer. Mark has been our Reserve Officer for a few months now, so he is not "new" to the town. Scott has done an excellent job as the SRO and we are sure he will continue to do so as our Chief.

Congratulations Guys!

Remember... if you have an emergency or need to report a crime please call 911. They will dispatch the message to the appropriate department. The Town pays for this service and it's faster and easier then trying to locate an officer yourself.

HAPPY 4TH OF JULY
