

-Julie to the Rescue-

I would like to give a huge "thanks" to Julie Freeman who essentially saved the boarding house and surrounding buildings in June.

When fire broke loose in the adjacent apartment, Julie took no time at all to grab the fire extinguisher from the tavern and quickly attack the fire. Although, the fire department was on the way, those few minutes were critical in this case. It is a reminder for all of us to stay up to date and confident in our emergency skills. Thanks Julie

And Then....

We are so lucky to have community members who are willing to come forth and help in the event of an emergency. However, we would like to remind everyone that once the fire or ambulance crew is on scene, it becomes a liability for their organizations if they allow civilians to be involved in the action. None of these organizations, including the city, can afford a large lawsuit. They will be asking you to step back and let them do their jobs. If you enjoy this type of activity, please volunteer to be on the fire department or ambulance. They will provide for you the proper training required. We are currently accepting applications for both departments and are eager to train more volunteers. You can also show your support by joining the BF Volunteer Fire Department Auxiliary, a group of volunteers that support the fire department by providing on-scene assistance such as hydration, meals, traffic control, etc.

Please contact Butte Falls City Hall 865-3262 if you are interested in joining the fire department or auxiliary. Call Carrie Driskell at 865-3224 if you are interested in joining the volunteer ambulance.

Jeff Gorman- Assistant Fire Chief

The Butte Falls Volunteer Fire Department Auxiliary is once again selling scrumptious desserts at the fire department benefit.....

It is happening on *August 9th* and a great bar-b-que with all the trimmings, cooked to perfection by Sandy and Rick Carle, will be served in the park for \$8.00 a plate. After a good meal, what better way to top it off then with your favorite dessert? The auxiliary will have a dessert booth also in the park, and you should be able to find something that will sweeten up the rest of your day.

Please help us raise a few dollars for the fire department auxiliary by donating a dessert to sell at the benefit. All donations accepted; just bring them to the fire hall the morning of August 9th.

Your support is very much appreciated! See you at the benefit!

Oh, Boy... is it getting hot in here or what?

Fireworks Sold Here!!!

Come support the boys ball teams and Close-Up by buying your fireworks here in your own hometown....

They are located at the High School Baseball Booth by the tennis court.

Hours vary, so keep checking.. Call Justine Henshaw with

questions.

Thank you for your support!
