

And, The Beat Goes On!

RECYCLING DEPOT HOURS HAVE CHANGED!!

Because of on going problems with items being dumped off that we do not take, we have decided to change the hours with the hopes that this will help curb our problem. The new hours are Tuesday, Thursday and Saturday... 10:00 AM - 2:00 PM.

We do not take any of the following: old appliances, tires, rims, garbage, scrap metal, batteries, propane bottles, computers, florescent tubes, yard waste, solvents, anti-freeze, transmission fluid, waste oil, automobiles or Styrofoam.

Items that we do take: magazines, newspaper, phone books, corrugated cardboard, (no egg cartons, shoe boxes, cereal boxes or waxed cartons), tin cans aluminum pie plates, aluminum foil, plastic bottles with smaller necks then their bases (#'s 1-7), water bottles, milk jugs, laundry detergent bottles, (no butter tubs, cottage cheese containers), glass bottles and jars (rinsed and lids discarded), (no window panes, cookware or tempered glass), used motor oil up to 1 gallon plastic containers with screw lids (Clorox bottles work great) **Do not use plastic milk jugs!**

All these items can be picked up with your regular garbage service if you sign up for curbside service. If you want to sign up for the service call City Hall at 865-3262 or Southern Oregon Sanitation at 826-5691. There is no extra charge since you are already paying for it through you bill.
