

## Twins

So many good things come in pairs,  
Like ears and socks and panda bears.  
But best of all are sets of twins,  
with extra laughter, double grins.

There's so much fun in having two  
with twice as many points of view.  
So much alike, forever linked,  
and yet they're also quite distinct.

They share a birthday and a name,  
But moods and tempers aren't the same,  
Although at times they may dispute,  
Their loyalty is absolute.

From days of youth till life is done,  
it's one for both and both for one.  
We're all quite novel and precise,  
But special folks - God made twice.

## Butte Falls Community Bible Church News!

The New Pastor Search is still on!  
We want to make sure we get the  
right man for the job...

We've had some great guest speakers  
with different teaching styles etc. that  
have been most willing to help us  
out. We have asked Mark Clarke to  
be our interm pastor for June and  
maybe longer if we need him.  
He is Pastor John's brother-in-law  
and a great guy....

Meanwhile, we have some great things  
happening at BFCBC.

We are growing closer as a church family  
and people have really kicked in and taken  
up the necessary tasks to get everything  
done that needs to be done.

And, this last Sunday we discovered that  
we don't even need electricity to have a  
church service. We still sang together and  
had a great sermon by Darrel Wiltrout our  
Butte Falls neighbor.

We are considering trying something  
different this summer instead of the usual  
Vacation Bible School... such as some  
evening fun stuff for the kids. The same  
plan just different times and not the 5 days  
straight thing. Watch the next Bulletin for  
that info.

### Summer Schedule:
