I want to give a big THANK YOU to Judy Lozano for planting the beautiful flowers in the flower box in front of city hall. It's citizens like you that REALLY make a difference in our community. Lori

A.E.:

I'm not a poet capable of writing lovely sonnets.
I'm not a musician able to compose magnificent symphonies.

Or a sculptor who could create a monument that would endure forever.

I'm just one man--who loves you more than anything else in the world.

Happy Valentines Day!!!

Dear Santa Claus:

Your beard is real. Thank you to the lady who lifted me up to see you while I was in line waiting to sit on your lap. I love you Santa Claus. Montana Rose.

Thank you to the Christmas carolers who rode on the trailer being pulled by a big John Deere tractor, what a thrill, so many of you!

A very special thank you to Roni Burg and Bridget McGonagle with their group of Christmas carolers. You make my heart happy. You all were so very brave to stay out in the really, really cold night. Happy New Year to you all. Lucy Hayden.

Mildred Arnold...thank you for spending your time and talent on making the hats for the Christmas Santa Claus. Lucy Hayden.

From Mayor Ron Ormond-

As the mayor of our fair town I would encourage the citizens to attend some of our council meetings. We are entering a time of change and awareness of this is important to all. The council for the past 2 years has been working on a sewer upgrade and as property owners you should be aware of the impact it will have on you.

The Town Council is forming a committee to review the future polices and needs of our fire, police and public works departments and also to review our town/school interaction polices. We are looking for 6 volunteers from our community to join 3 council members to form this committee. Our ideal is to have 3 business owners and 3 citizens. If you are interested in volunteering your time and striving to make a difference in your community please fill out this form and drop it in the city hall's drop box or leave with the city recorder during city hall business hours. *The deadline to return this form is February 11th.* An announcement will be made at the regular council meeting on February 15th as to who the new review committee will be. If you have any questions, please contact city hall at 865-3262. Thank you for caring enough about our community to try and make a difference.

Roger Hayden... you were such a dear to put cement in the cut out sidewalk in front of City Hall and you so valiantly stood guard over your master piece for so long. It looks fantastic!! Thank you for volunteering your time and labor to help us out.

To the 'Flower Lady',

In the dark, very cold, planting bulbs in front of city hall and making our town look beautiful. You are a blessing to this town! A kindly thank you. From Lucy

As usual, I had left out some very important people that were involved with the happenings of Santa Night. I just knew if I tried to list everyone, then someone would be left out. I am truly sorry for this oversight. Mildred Arnold - you are just awesome! You made just under 80 Knit hats for the children of our community. What a great job you did. Thank you so much!! Meltie - you were instrumental in helping Patti prepare the dinner, a big thank you. Carol McGrath - you donated pencils from the Forest Service so we could use as bag fillers. Thanks alot, kids always need pencils. Julie Freeman - wonderful Julie - always letting us use some of the schools colored paper and this year some of your own props. They were fantastic! Laura Smith - our librarian always lets us use one of the nice chairs from the library so Santa will have a comfy place to sit. The Active Club thanks all of its volunteers and donaters. Without you what we do would not be possible.

Just a reminder!! The Active Club would like to have a flea market inside the city park this year instead of a city wide yard sale. The last two years I have received complaints from out - of - towners that we did not have very many participants in the sale and it was not worth the trip up here to check it out. This year, if we can get everyone to committ and join us in the park we could have a fun day. Why not try something different for a change. What do you think? Let me know. Call me at 865-3624.
