

Firehouse News and Views

If you spot a hazard or find yourself in a hazardous situation, do not hesitate to call 911 to get your fire department in route to assess the problem. We don't mind being called out to help people, that's what we do! If we get canceled in mid-call, we don't mind that either.

An example is the telephone pole that hung over the fog line near the 9 mile marker on Butte Falls Highway a few months ago. Do not compromise your own safety. If you feel unsafe or see a hazard that could become unsafe call 911 ASAP. We train to deal with many hazardous situations and don't mind answering the call.

Butte Falls Volunteer Fire Department is accepting applications. Stop by City Hall to pick one up if you are interested. We would be glad to have you on the crew.

The City has a new hiring policy. All new employees will have a criminal background check. If you have any questions, see Chief, Jeff Gorman or call the fire department business line at 865-4383.

There are many ways you can be an active community member of Butte Falls. Some areas to check are Jackson County Search and Rescue, our school district, Community Works and more.

At our last Butte Falls Volunteer Fire Department, Association Meeting we voted on Shelly Conopa and Gerrad Munsell to be our new Captains and Michael Hanson as our Lieutenant. They will be a great asset to the Chief, Assistant Chief, and the crew during our weekly drills, meetings, training, and most of all on an emergency. Congratulations! You all deserve it and will do a great job! We all look up to you.
