Hear Ye, Hear Ye Town Hall Meeting Planned!

There will be a public meeting in the elementary school gymnasium at 6:45 PM on Wednesday, March 9th, 2005. We will meet for the purpose of discussing crime perpetrated against residents outside of the town of Butte Falls.

So far in the last few years we have had two people murdered. No one so far has been held responsible. We have had at least one home invasion with an assault and we have had a very large number of other crimes, including burglary and vandalism. Again, no arrests in any of these cases. In addition, numerous homes outside of Butte Falls were recently visited very late at night by persons unknown, evidently as a test to see if the residents were present or not.

At this time, there is no effective police protection for those of us who live outside of Butte Falls.

The purpose of this first meeting is to gather together interested people to discuss the nature and extent of the problem, to arrive at some priorities and to become organized. This meeting will be essential so that we can present a single and powerful argument during the following meeting when C.W. Smith, one of the Jackson County Commissioners and Mike Winters, the Jackson County Sheriff will be invited to attend. Depending upon the progress we make on March 9th, we might be able to schedule the next meeting when Smith and Winters can attend some time in either late March or early April.

Personal and home defense is up to you. Please plan to attend the meeting. It will be open to anyone. The primary focus will be on the problems of people who live outside of the Town of Butte Falls. But, we know that these things are occurring in town also. So, please come if you are interested.

Thank you, Lowell Nicolaus (865-3935)
