*Citizens and Friends of Butte Falls: this is a quick update of Town events.* **Water:** we are now shipping one (1) truck load of bulk water (6,100 gallons) a week to Crystal Fresh Bottling. This is only the beginning. The dollar amount equals \$6,100 annually to our budget. **Logger Statue (Ralph):** We are planning on having Ralph back in place by the 4th of July. **Library money:** The money received from the sale of the library has been set up in a special loan account. Funds will be loaned out for specific projects as set forth by ordinance. Upon completion of projects monies will be paid back to the special account over a five (5) year period. An example is the dump truck that was purchased. We use it to haul sludge and can also use for it streets. The cost of \$12,300 was borrowed from the special account and the money will be paid back to that account from sewer/streets. This insures the Town will always have funds to achieve special goals. **Police:** Due to budget constraints our police department has been reduced to seven (7) months of the year. Jackson County Sheriff's Department will respond to when called. If you have an emergency dial 911. For non-emergency calls, dial 776-7206. At this time the mayor's office would like to get citizens input on the following issues:

- 1) city police vs. County Sheriff
  - 2) residence requirement of city police
  - 3) vehicle use
  - 4) paid mileage to work
  - 5) establishment of a sheriff substation vs. city police
- Please do not hesitate to talk to me when you see me or drop a note at city hall or you can speak to members of the Town Council. Our law enforcement issue needs to be dealt with. Comments will be taken for the next 30 days.
- Streets:** We are planning to repair pot holes this summer and replace signs, including school signs at grade school cross walk.
- Administration:** Numerous ordinances and resolutions have been passed since January 2005. One to consider is donating to the Butte Falls Volunteer Fire Department. There is now a special account strictly set up for donations with guidance for the use of funds. In closing, have a great summer and if you see me feel free to stop by and chat. Mayor Ron Ormond.

### July Birthdays

Happy Birthday on the 3rd to Kristen Shafer, our darling daughter. My, how you have grown into a very wonderful young lady. We are so proud of you and love you with all our hearts. Love forever...Mom and Dad.

Kristen...We hope your birthday is as special as you are. Just save us some cake and don't let your dad eat it all, okay! Love always, Krystal and Lori

Happy Birthday to my childhood friend Kathy Dahn (Rambo). You and I have survived so much over the years and it's hard to believe we're still standing. Our friendship has lasted over 40 years, that should give people an idea of how old you are. I hope your day is wonderful and that each and every day after that is too. I love you my friend! Love Lori and Krystal

Becky Hobbs...what can I say about Becky that most people don't already know. One fact is that she will be over 40 on the 18th. Yeah, I know that you are still younger than I am, so what! The second fact is she has a strange obsession with frogs. What's that about? Third fact is that she is a caring and giving friend whom Krystal and I cherish very much. Thanks for being you. Love Krystal and Lori

We love you Becky and hope that your birthday is a great one, if you know what we mean!!  
Love from the Shafer family.

Happy Birthday to Kristen Shafer on the 3rd. You are so special to us and we love you very much. The Hobbs family.
