Cost: \$2.00 per person

For additional information and registration forms please contact Faith Jones at 541-865-3563 ext. 268

Nature Fridays is sponsored by the Butte Falls Community School Partnership and funded by the Title III grant.

**Butte Falls School District
Volunteers
Julie Freeman**

As we begin a new school year, we at Butte Falls School District would like to thank all the volunteers from last year & all the years past for their hard work & dedication. You are so appreciated!

One hour a week or just helping with special projects can make a huge difference in a student's life.

If you are interested in helping in a classroom, the elementary library, community garden, elementary playground projects, (covered playground & amphitheatre) or would like to share a special talent, please contact Julie Freeman at the elementary office at 865-3563 ext. 2.

The Butte Falls Community School Partnership board of directors will be having their next meeting on October 18 at 6:30 pm in the Natural Resource Center that is now located in the west wing of the School District office building.

Thank you, Nancy Thompson

Coins for Katrina Penny Drive
Julie Freeman

The High School Service Learning class along with the elementary school will be sponsoring a "Coins for Katrina" penny drive. The money earned from the penny drive will help purchase student & teacher resource kits. State superintendent Susan Castillo is joining the efforts to get teachers & students back to school as soon as possible, and Butte Falls Schools are doing their part to help.

The service learning class will be holding an official community penny drive on Saturday Oct. 15. Students will be going door to door collecting pennies. Donations can also be dropped off at the elementary or high school.

**Scholastic Book Fair Is Coming Soon
Julie Freeman**

Once again the Butte Falls Elementary School will be hosting the Scholastic Book Fair. The dates for the book fair will be October 10-18. The Scholastic Book Fair offers traditional children's favorites and the latest works by popular authors and illustrators. The school earns money from every purchase made.

Building classroom libraries is one goal of the fair. Fair visitors can review the "Classroom Wish List" and then purchase and donate requested books for any classroom's library.

Our annual Book Fair helps promote reading & generates funds for our school. This years proceeds will be used to take students who qualify for the Reading Hall of Fame on a field trip in June.

The book fair is open to the public. It's hours will be 7:30 - 4:00 daily. On Wednesday Oct. 12, from 5:30 - 8:00 p.m., we will be hosting a Family Dinner & Reading Night.

Please come support the Scholastic

Anyone interested in reading with the SMART reading program at school starting October 13th contact Ellen Moore at 865-3362 or call Julie at the school at 865-3563.
