

I would like to thank the following students for helping me pick up trash around our community on February 20th. Katie Bray, Colette Bray, Jessica Driskell, Caitlynn Driskell, Cori Carothers, Tony Carothers and Josh Sutfin. These students along with Kevin Newby and myself removed 10 large bags full of trash from our streets and Mac field. I would also like to remind everyone there are 13 trash cans in and around our town square and our recycle center is open 7 days a week, where we can discard unwanted metals, garbage and recyclable materials. So I'm almost sure we can find a place to dispose of trash other than throwing it down on the streets of our town.
