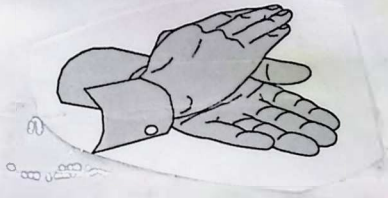
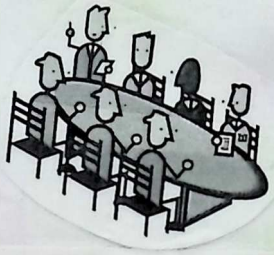
A COMMUNITY NEWSLETTER FOR JANUARY 2007
VOLUME 13 ISSUE 1





Congratulations to Mayor Elect Ron Ormond... Councilor Elect Jana Goodman... Councilor Elect Diane Holm... Councilor Elect Ned Soso...

These hardworking individuals along with the rest of the serving council members.....**Sandy McConochie, Shawn Stephens and Al Davis** volunteer to give their time and expertise to overseeing the Town of Butte Falls' day to day operations. There have been many times over the years when a decision the council had to make was not always what some people wanted, but they have always voted with a clear conscious and with the best interest for the Town. It takes a very special person to handle the high pressured position that they are in. They are always striving to make decisions that will better our community and the residents that live here. We should all be thankful that they are willing to take the wheel and drive on this never ending journey.
