~ THANK YOU TO THE FOLLOWING PEOPLE ~

We would like to thank everyone in Butte Falls who blessed us at Christmas and everyone who tried to help. Thank you! Shane, Becky, Ariel, Cheyanne and Angel.

My deepest thanks to Cory Hamann and Dan Murphy for taking me to work at the post office when my driveway was blocked with snow. "Neither snow, nor rain, nor gloom of night" shall keep me from my appointed job as long as I have friends such as these! Sue Schlotthauer

From one citizen who is speaking on behalf of everyone! Thanks to all the volunteers who helped with snow removal from our city streets and sidewalks last month. What a wonderful community we live in, where neighbor helps neighbor trying to make it better for all. And one citizen who deserves a huge pat on the back is Ron Hailicka - YOU ROCK!
