

We have four city council positions that have been vacated. Three council positions are up for election this year in November. If you are a registered voter and have lived inside the city limits for the last six months and you would like to become more involved in your community, what a better way than by becoming a city council councilor. For more information contact Lori at City Hall at 865-3262.

### CEMETERY NEWS

Hello Everyone.....

I wanted to let you know I attended the workshop in Eugene the weekend of May 4th and it was wonderful, exciting and filled with information. The class room was actually a private cemetery "Milliorn Cemetery" located in Junction City. The work shop was taught by Sally Donovan and Bruce Howard. This was an amazing weekend. I want to thank my husband Rick for finding the cemetery !! (Ha Ha) For those of you that know me, I have traveled these hills for years and never worried I wouldn't come out where I needed to. Let's just say, I'm staying in the hills!! Rick and I also attended the awards dinner Sunday...(yep Rick was a little nervous!!) Thanks Honey....

The Butte Falls Cemetery has been given a plaque from the Oregon Parks and Recreation Dept. stating "Historic Cemetery". This will be posted at the cemetery in the near future. I want to thank John Tumey for all the help he does for "US" at the cemetery. He works his tail off out there!! He always says yes when I ask for help.....Thank you so much John, I really appreciate everything you do.

Thursday, May 22 the kids from Butte Falls Elementary placed flowers throughout the cemetery, plus they 'hopefully' learned a few facts about the cemetery. Thanks kids. I have also placed flags on all the veterans buried throughout the Butte Falls Cemetery. We are truly blessed to of had these veterans serve and protect us! Hopefully everyone will visit the Butte Falls Cemetery this Memorial Day.

I would like to pass on a suggestion that was given to me by a very dear friend...If you have a family or friend buried in the cemetery, "ADOPT" the grave next to the one your cleaning up and/or placing flowers on. By doing this simple but important step, you should know it is something that each and everyone of us are going to need some day and it is something you'll be proud of!!

Although there was a drizzle of rain coming down, the school bus arrived and to my delight, the rain stopped.....more than 70 + kids from the Butte Falls Elementary School (Grades K-7 ...minus the 4th grade who were on a field trip). I also want to thank Mr. Jim Hutchins for the beautiful flowers he brought, and his help with the kids throughout the cemetery. This year was GREAT!! I took my records and I was able to answer questions and direct everyone to the graves they were looking for. My THANKS to all the teachers and RAY for driving the bus. This was a very special day for me.

Until next time ..... Have a Great Summer! Karen Davis
