ACKNOWLEDGEMENTS

I would like to give a huge thank you to the men and women on the ambulance and fire department crews for their fast response following my daughter Kyla's car accident. And to the two special angels Darren Kinyon who kept her calm and safe during the wait for the ambulance and to Doug Smith who found her cell phone so she could call her mommy. Thank you again from the bottom of our hearts. We are all blessed to know you and to have people like you in our lives. Kyla, Tammy and family.

A great big thank you from Mrs. McNeil to the graduating seniors at Butte Falls High School for honoring her with the special flowers, card, bee wind chime and most of all, their love. She will always remember the thirteen students of her first kindergarten coming out and saying the kindergarten class rule, "Never hurt anyone on the inside or the outside." Hugs to all of the class and best wishes for the adventures that lie ahead.
