

Hello from the Butte Falls Community School Partnership!

Thank you to everyone that participated and volunteered at our exciting grand opening of The Landing! What a great time and a huge turn out! The news made sure to be there and did a wonderful story on our grand opening, as this is a huge accomplishment for our organization and for our town. We all look forward to continuing and expanding our services for the community in our new facility. Please stop by and pick up our new brochure. Our regular business hours from 9am-3pm will begin the week of September 8th we are still in the process of moving a few more things over and getting everything in place for all of our wonderful programs. We look forward to seeing you all at The Landing!

**Butte Falls Volunteer Fire and Rescue
8th Annual Bar-B-Q Benefit and Softball
Tournament**

Another successful benefit for our department, thanks to many people. We feel the two days of activities went very smoothly and we are already planning next year's agenda!

We had many folks donate desserts for the dessert booth. This was greatly appreciated. The dessert booth made quite a bit of money by selling or auctioning (thanks Janice!) the desserts.

The softball tournament was a huge success. The teams were awesome this year and we hope to see them again next year in what may be our first invitational! We thank everyone that helped with the tourney. It was hot, hot, hot and you all hung in there!

The kitchen crew did awesome! Great tasting food once again!

All the fire fighters and their family members that helped – you folks are extra, extra special. It was a busy few weeks leading up to two very busy days but you all pulled together, worked great together and the outcome was more than expected!

We want to thank the vendors, the band (great music!) and the very kind and generous people that made donations to our department:
