Hello to everyone! We have just installed the "NEW" Information Board at the Butte Falls Cemetery. It is located just inside the main gate (left side), and once again I want to thank Mayor Ron Ormond, John Tumey, Bill Rupel and Sara Beck (for her donation). John and Bill built the information board, Mayor Ron Ormond and I had plaques made, which are now in place. The new information board includes the following: signs which welcome everyone to the Butte Falls Cemetery, a plaque thanking everyone for volunteering (thank you Mr. Mayor), maps showing the entire cemetery, and an information book listing every grave in the Butte Falls Cemetery. The information book is not secured to the information board because we knew people would want to look and/or copy information. We do ask that it be replaced after each use. In the near future there will also be a bench located at the information board so that everyone can sit down.

I have also received 62 name plaques which were purchased using (\$) monies from my 2007/2008 Grant from the Oregon Parks & Recreation Dept./Historic Cemetery Grant Project. Graves which did not have markers and/or headstones will finally be marked!!

I am very proud of the Butte Falls Cemetery and the NEW information board. I invite everyone to visit the cemetery and check out all the hard work and completed projects. Karen Davis
