*It's a Thanksgiving Theme and of course*

*will include excellent food and fun!*

*Out of towners are already calling and  
reserving their seats!*

*Call and reserve soon 865-3311*

*What is that ?*

*People are asking "what is that ? "And, we say  
"it's anything we want it to be". It's a Pavilion.. it's a  
Sugar Shack ... it's a place to have a chili cook-off ,  
a growers/craft market in the summer, extra seating  
on the 4th of July...or a big buck contest (calling all you  
hunters)! It's anything we want it to be..... that's the  
pleasure of it all...Life in America... We love it!*

*Thank you to my bro, Mark who built it, Doug Lee for assisting, Doug  
Smith, Roger Hayden, Jeff Brown, Dale Thompson, Bill Tucker, Shawn  
Wells, Jake Hamann, Ron Hailicka for the beautiful lumber , Arlen  
Ragsdale for the milling of it and anyone else who helped or contributed  
in any way!*

*We are grateful for friends and family!*
