*Butte Falls Cemetary*

Hello to everyone !

With high hopes of some sunshine soon, I wanted to let everyone know that I have submitted a list of 15 names with the money donated at city hall in my dad's name (George Nunes Sr.) to Hale Signs in Medford. There was a total of \$454.00!! I will be placing 5 name plaques at the "**Rancheria Graves**" and 10 at the **Butte Falls Cemetery**. Thank you to everyone that was so thoughtful. There are only a few graves left needing name plaques!! **THANK YOU ALL!**

I am still waiting on having the trees removed at the cemetery, although the trees along the fence line have been removed. "Thank you to **Frison Tree Service.**" When the sun shines again, I will be doing a spring cleanup and let you all know.

Recently I was diagnosed with "Open Angle Glycoma." I ended up having emergency surgery on my eyes, and it looking like this is an on-going thing. I have quite a few restrictions I have to follow, but that just means I will work on other projects at the cemetery. In the meantime, I will probably contact those who have volunteered or shown an interest in the cemetery.

I have started making contact with adjacent land owners in hopes of enlarging the cemetery. (See, I really do have other projects!! Ha, Ha.) This is only in the beginning stages, but all things are possible....especially if you believe!!

Anyway contact me at 541-210-7096 if you have any questions, and expect me to call on you if you have volunteered or shown an interest in the past.

Thank you so much....Karen Davis
