

Butte Falls District News

Grant Usage

In this month's district news the charter school grant money is being put to good use with the natural resource center and the natural resource program. The grant money is also helping update things throughout the district such as new computers, tablets, and faster internet connection for all the newest technology .

Staff News

The staff of the Butte Falls School District will be going through an ALICE Training (Alert, Lockdown, Inform, Counter, Evacuation). This is to help the staff be prepared for an active shooter or some sort of threat.

Julie Freeman (Administrative Assistant)

The district has started converting our Fiscal and Human resources over to Douglas ESD. "They are wonderful and knowledgeable people who really know what they are doing and have confidence that once the transition is finished we will surely benefit from it" said Julie Freeman (Administrative Assistant). The district office is currently seeking a part time person to help out in multiple areas at the district office. The job would entail board secretary duties, federal meal monitoring of students, and general clerical duties. If you are interested contact the district office. The District Office is also seeking persons interested in bus driving, classroom aide, kitchen and office substitutes. Just a reminder that there are a lot of opportunities to get involved with our school, such as District and Charter Board positions, Parent Involvement Committee, being part of our School Improvement Plan team, as well as numerous other opportunities. Please don't hesitate to call me or e-mail me if you are interested. 541.865.3563 ext. 5. jfreeman@buttefalls.k12.or.us
