

SPRING GARDENING

“Recycled Community Garden at The Landing”

The Nature Club has been working hard on the community pathway and garden. There are more raised garden boxes including pallets for strawberry gardening. There are two more benches made and placed by the kids; which are inviting when you want to rest and enjoy the garden. We will be planting seed starts soon.

“BAREFOOT GARDENING”

We would like to give Dave Curphey a special thank you for volunteering his time and working hard on the landscaping around The Landing. We appreciate everything our volunteers do to help out.

FIELD TRIP—GEOCACHING AND TRASH CLEAN-UP

Saturday April 20th 9 am—4 pm

The Nature Club and Pre-teen Club will be taking a field trip to the Bear Creek Greenway to go geocaching and picking up trash in honor of Earth Day.

Geocaching is a treasure hunting game where you use a GPS to hide and seek containers with other participants in the activity. You sign a log and can trade out treasures then log your visit online using a set up account. A fun way to get outdoors and have an adventure

Friday Night

Movie

6 pm 'til it's over

Family Friendly G, PG, or PG-13 Movie

Free Admittance for Members; \$1 non-members

Free Popcorn

Refreshments for sale at an affordable price (soda, candy, treats, and more starting at \$.05-\$.75)

We will be fundraising soon to raise money to upgrade our movie viewing experience. Please help by donating.

Thank You from The Landing

office supplies, and water. In our case volunteers do all our administrative tasks. Although we write and receive grants for our children's programs, many foundations will not pay for basic overhead and yet we cannot keep our doors open without these basic services.

In these difficult times one of the most challenging problems with keeping a small non profit running is basic expenses like electricity, sanitary supplies,

So, we would like to thank these people who made contributions which will help us pay the basic bills and helps with our programs. Ron Halicka who contributed gravel for a walkway, Joyce Halicka & Don Hamann, Inc who made donations and an anonymous donor who contributed through United Way. The Active Club and Cory Hamann donated eggs for our Easter Egg Hunts at the school and The Landing. Thank you also to the members that regularly pay their monthly membership dues. Your money helps us keep our many programs going.
