More Info on the Summer Food Program

The Summer Food Program is part of an entitlement program through the federal government. It is not funded through the state, but allows money to go to Oregon food growers and offers employment to Oregon citizens. At this time only 11% of the schools in the nation are participating. The money that is budgeted and not spent towards this program then goes back into the federal budget.

Participation is the key to success in this program and we urge everyone to get the word out about our free summer lunch program. Students do not have to live here or provide any paperwork of any kind. **Just come eat!** The elementary school building cafeteria will be open for lunch, Monday through Friday from 11:30 - 12:30.

We would love to provide some recreation and/or learning opportunities during this time. If you are interested in volunteering your time with the kids, or have any questions please don't hesitate to contact Julie Freeman at 541.865.3563 ext. 5.

**PLEASE SPREAD THE WORD AND HELP US GET ENOUGH KIDS EATING
THIS SUMMER TO SUSTAIN THE PROGRAM!**

Thank you!
