

Annual Notifications for Butte Falls School District

Parent & Student Rights

Under OAR 581-21-260, each educational agency is annually required to notify parents and eligible students of their rights under Oregon and federal law. These rights include the right to:

1. Inspect and review the student's education record;
2. Request amendment of the student education records to ensure that they are not inaccurate, misleading or otherwise in violation of the student's privacy or other rights;
3. Consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that the applicable law authorizes disclosure without consent;
4. File a complaint, pursuant to OAR 581-21-410, with the U.S. Department of Education under 34 CFR 99.64 concerning alleged failures by the district to comply with the requirements of federal law; and
5. Obtain a copy of the district policy with regards to student education records.

Directory Information

Federal law requires that the school district notify the public that parents and guardians may request in writing that individual children's names and other data be kept from the media. If such a request was made, the school district could not include that individual's name in information such as scholarship recipients, athletic rosters, programs, and so forth. This type of information is called "Directory Information" and consists of the student's name, height weight, address, etc.

However, state law allows a district to release a student's address, telephone number, or photo, all of which is considered personally identifiable information, in a directory format without written permission from the parent/guardian. If you **DO NOT** want to have this information released, you must notify the district in writing at the beginning of the school year.

Emergency Closures

As we head into a new school year, we also head into fall and winter, the times of the year when school is most likely to close due to weather, power and heating failures, and so on. There are three kinds of school closures: late start, full day closure, and early dismissal.

In the event of a delay, school will be delayed for two (2) hours. Parents should simply add two hours to the usual morning bus route times. School will be dismissed at the usual time(s). Delays will be announced early in the morning over the radio and television. In the case of a delay, morning kindergarten will be canceled.

If a severe storm or other emergency causes a full day closure, it will also be announced on local radio and television stations.

Since so many parents and guardians work, informing them of an early dismissal is a problem. For this reason, the district tries to avoid early dismissals. However, when an emergency does arise, the Family Emergency Plan that comes with students' registration packets is the key to where students are sent. It is extremely important that this slip of paper be filled out and returned at the start of the year. Staff members will be calling parents and guardians to advise them of the situation before the buses leave school. Be sure that we know where to send your child.

The following stations will be notified of any delays and/or closures:

RADIO: KBOY, KCMX, KDOV, KMED, KRWQ, KMFR, KTMT, KSOR, KZZE

TELEVISION: KOB1 5, KTVL 10, KDRV 12

Medicines at School

The administering of non-injectable medicines to students is governed by Board Policy JHCD-AR. This policy covers not only prescription and nonprescription medication, but also such items as aspirin, Tylenol, poison oak medications, and any other ointments and sprays. Per board policy, requests for designated staff members (office managers only) to administer medication to students may be approved by the district under certain specific conditions. These conditions and requirements are described in detail in the student handbooks. If you have any questions you should contact the elementary or high school office manager.
