

Annual Notifications for Butte Falls School District

Immunization Requirements

The law requires that all Oregon school children be fully immunized, be in the process of completing their immunization schedule, or be exempt for medical or religious reasons in order to attend school. A parent or guardian will be required to complete a certificate verifying this information if the child has not previously been enrolled in the Butte Falls School District. If your child is exempt for medical or religious reasons, he/she may be excluded from attending school during a disease outbreak for his/her own protection. You may contact the Jackson County Health Department for more information about your child's immunization needs.

Eligibility Guidelines for National School Lunch/Breakfast Program

The federal eligibility guidelines for the National School Lunch/Breakfast Program have changed for the 2012-2013 school year. The chart below reflects these changes. If your household income is less than the amounts shown for your household size, your child(ren) may qualify for free or reduced meals. Reduced price meals cost 40¢ for lunch.

Application forms can be obtained from any school office manager. Eligibility based on food stamps or Temporary Assistance to Needy Families (TANF) will be sent directly to the school electronically. Families with children who qualify for free meals based on this information will receive a notice from the school and will not need to submit any additional paperwork.

Students who qualified last school year will automatically qualify this year for a conditional period of 30 school days. At the end of this time, benefits will be terminated unless the proper papers have been filed with the District Office. **PLEASE SUBMIT YOUR APPLICATION AS SOON AS POSSIBLE TO AVOID LOSS OF BENEFITS.**

If a household member becomes unemployed or if the household size increases, the household should contact the school to see if it is eligible for meal benefits. Applications may be submitted at any time during the school year. Student eligibility status is strictly confidential. USDA and the State of Oregon are equal opportunity providers and employers.
