We need parents to get INVOLVED!

Butte Falls School District is seeking parents; grandparents, aunts, uncles and family friends to come get involved in helping us coordinate a viable volunteer program and active parent involvement team.

The Site Council/Parent Advisory meets once a month for a half an hour in the evenings. We provide refreshments and childcare. This is a great opportunity for parents to help their school make decisions and be an active part in their student's education.

If you are interested in joining the fun please contact Julie Freeman at 541-865-3563 extension 5.
