

November 4, 2013

To our dearest supporters,

You have our deepest thanks for supporting the football and cheer team by participating and donating toward the spaghetti feed on Halloween night. We greatly appreciate your time and effort joining us at the Sugar Pine. The total donation amount equaled \$815.00 and will be divided up between the football program and cheer squad. These donations will be put toward needed equipment and uniforms. With limited funding through the school district sport programs need additional funds through fundraising and community support. This event shows how supportive our community is for our kids and programs. Other donations were given to us from Franz Bakery with french bread, Phil's Frosty with salad makings, Linda and Dave Azavedo with noodles and spaghetti sauce and The Sugar Pine with drinks, extra noodles, spaghetti sauce, advertising and of course taking over the restaurant from 4pm to 7pm. We greatly appreciate your support and thank you for your gracious generosity.

Sincerely,

Breanna Myers
