

BUTTE FALLS SCHOOL DISTRICT #91
Accredited by the Northwest Association of Schools and Colleges
P.O.Box 228 • 720 Laurel Avenue • Butte Falls, OR 97522
(541)865-3563 • fax (541)865-32

Update for Butte Falls Charter School Parent/Student Handbook.

Open Enrollment/School of Choice: Oregon law permits students from other school district attend the Butte Falls Charter School without going through the inter-district transfer process. ALSO, a student that is a resident of the Butte Falls Charter School district may attend a 'school of choice' other than Butte Falls Charter without going through the inter-district transfer process. Neighboring school districts are Eagle Point and Prospect Charter School. Enrollment in these districts is dependent on space being available.

Would you like to have a voice in the decision making of our school that is so much a part of our community?

There are positions openings on the School Board and Charter Board.

For more information please contact Julie Freeman at 541.865.3563 ext. 5

Also, the district is seeking members interested in being on the Budget Committee.

Parent Volunteers Needed!!!!

We as a district know how busy everyone is. In these trying times we continue to strive to provide numerous activities and special events for our students. But it does take a village to raise a child. We are seeking parents and community members to help us with this. We need help with organizing things like a Halloween Carnival, Santa's Secret Shop, the Scholastic Book Fair and various other parent night events.

Also, we are so in need of someone who would like to volunteer at the Elementary School building library. If you would be interested in being a part of any of these needs, or have something else you would like to offer, please call 541.865.3563 ext. 5.
