

The team all wanted to thank you again for your wonderful contributions:

Thank you so much for your help in sending me to FBLA Nationals. I had a great time in Nashville Tennessee and learned so much about business! The skills I honed at the NLC will forever help me in any of my professional endeavors. I sincerely appreciate your assistance in providing me with this life altering experience.

I would like to thank all of our sponsors for supporting our FBLA team. Your donations helped us reach our conference in Nashville, TN where we were able to participate in many fun and educational activities. The activities that we were able to do ranged from workshops about things you can't get from college to a dinner held on a river cruise to things like visiting the Dukes of Hazard Museum. Again I would like to send a thank you to all of our sponsors and to all others who assisted us in our trip to nationals; whether your donation was monetary or otherwise.

There are not enough words in the world to express my gratitude to all that made the trip possible for us this year. It was as educational as it was fun as we had the opportunity to learn about business from CEOs, and explore the city of Nashville. The whole experience has definitely shaped me in a way that I did not expect, and for that, I thank you. Thank you for all you have done to support Butte Falls FBLA and the whole Butte Falls School District.

Hi! My name is Brandon Goodman. I went to this year's national leadership conference for F.B.L.A for the team of Butte Falls. My event was Introduction to Information Technologies. This was my second time attending this conference and it was a great experience! During the conference I learned a little bit about how to become a young entrepreneur during one of the workshops I went to. I also got to have the amazing experience of going onto the General Jackson Boat Cruise, which involved authentic southern food, and we also got to hear a group of singers perform several country songs spanning the generations. I really appreciate the support you gave us. Thanks again!

What a fantastic experience for my friends and I! Thank you for the opportunity you gave us to visit one of the great cities in our nation. Staying at the Gaylord Opryland Hotel was definitely a highlight on our trip. We were very pleased to have the community show us so much support.
