

Merry Christmas from the

Sugar Pine!

We are having the Christmas Tree Lot again this year to support local school kids! Come by, pick a tree and give a donation, it's that easy. If no one is at the lot you can give inside the Sugar Pine. All proceeds go to a designated area of need.

The cheerleaders have their famous Logger colored headbands for sale inside the Sugar Pine. They are also planning on having a chili cook-off in January. So, get out your most famous chili recipe and practice up a bit.

The town looks great..thank's to the group that spent their day putting it together! It's also a nice thing to see Marc and Shone's home first thing coming into town. It always looks so nice. Hope you have a very Merry Christmas with family and friends...

We appreciate our customers!
