Random Drug Testing

Mrs. Gorman is making the final steps to reinstating a **Random Drug Testing Program** for students. Your information and opinions are highly valued. Please feel free to contact her or attend the monthly Charter Board meetings where we will be further discussing this possibility. Current supporters include the Community Health Center, Student Health Advisory Group (SHAG), the School Board, the Charter Board and the Student Government. You can find more information at PreventionNotPunishment.org.

Students subject to drug testing will be athletes, club members, officers and participants in certain field trips.
