BUTTE FALLS EMS SUPPORT TEAM

A faction of local residents has recently formed a group called the Butte Falls Emergency Medical Services Support Team (BFEST). Members are Carrie Driskell, Shelly Conopa, Larry Wetjen, Debbie Busch, Sunny Bryant, Gaynell Krambeal, and Carol McGrath. We have had three meetings so far, and are in the process of writing our mission statement. Our purpose is to raise money for the Butte Falls EMS (formerly known as the ambulance) to provide our community with a life saving first response team while waiting for transport to appropriate medical facility.

We will be developing, organizing and working on fundraising events. The BFEMS is staffed by volunteers and is currently operating on 100% donations. Keeping this organization afloat is vital to the health of our community. If you have questions, would like to join our Team, or would be available to work at an occasional event (like a chili feed or a bingo night) please contact any of the members listed above or call Carol McGrath at 541-865-3456.
