

Dear Friends & Customers,

After owning and operating the Butte Falls General Store for almost 20 years we would like to say a huge Thank You to all of you. Not for just your business but you're for loyalty, friendship and acceptance. The store and Butte Falls has been a blessing to us and we will never forget our time here and the friends we have made. As some of you may already know we have sold the Store but we are not going too far away. We own and operate Medford Oaks RV Park in Eagle Point so please stop by and say hi sometime. We hope that the new owners will be welcomed with open arms. This will be a good change for the store. They are super good people that will make many positive changes and give the store some new energy. We honestly believe the new owners who are very experienced with small grocery stores will be good stewards of the store and will have the community's best interest at heart. They do plan on hiring Butte Falls residents and may keep some of the same employees. This is bitter sweet for us because we honestly do care about the store, the people and the community. We do have so many fond, funny and crazy memories that will always be part of our lives. Butte falls will always hold a special place in our hearts. We feel the store will be good hands so please stop by and welcome the new owners. A special Thank You to all our employees past and present and to our loyal customers. Blessings to you all.
